(562) 940-2501

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

April 12, 2016

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

39 April 12, 2016

LORI GLASGOW
EXECUTIVE OFFICER

Dear Supervisors:

AUTHORIZATION TO APPLY FOR AND ACCEPT SIXTEENTH YEAR FUNDING UNDER THE JUVENILE JUSTICE CRIME PREVENTION ACT FOR FISCAL YEAR (FY) 2016-17 FROM THE BOARD OF STATE AND COMMUNITY CORRECTIONS

(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

Authorize the Interim Chief Probation officer to apply for continuation funding, and accept Fiscal Year (FY) 2016-17 funds from the Board of State and Community Corrections (BSCC) in the estimated amount of \$32,000,000. The funding, which may be modified based on the final State budget, represents the sixteenth year allocation.

IT IS RECOMMENDED THAT THE BOARD:

1. Authorize the Interim Chief Probation Officer to finalize the County of Los Angeles (County) Application for Continuation Funding (Application), submit final documents to the BSCC by May 1, 2016, and make subsequent non-substantive program modifications, if needed.
2. Authorize the Interim Chief Probation Officer to accept sixteenth year Juvenile Justice Crime Prevention Act (JJCPA) funding for FY 2016-17 estimated at \$32,000,000 from the BSCC, and to make non-substantive modifications to the FY 2016-17 allocations if the funding amount changes when the final State budget is adopted.
3. Delegate authority to the Interim Chief Probation Officer to execute any modifications, amendments or extensions to existing contracts for the purpose of continuing programs implemented under the Comprehensive Multi-Agency Juvenile Justice Plan (Plan) developed by the Los Angeles

County Juvenile Justice Coordinating Council (JJCC), upon approval as to form by County Counsel.

4. Delegate authority to the Interim Chief Probation Officer to negotiate, execute, amend, modify, and/or extend current agreements with various government agencies to provide services consistent with the Plan, upon approval as to form by County Counsel.

5. Authorize the Interim Chief Probation Officer to utilize any interest or unspent JJCPA funds available in FY 2016-17 on qualifying JJCPA expenses.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to obtain Board approval to authorize the Interim Chief Probation Officer to apply for and accept JJCPA funding to continue the implementation of the Plan for a sixteenth year. The BSCC requires that the County of Los Angeles Probation Department's (Probation) Application for FY 2016-17 JJCPA funding be submitted to them by May 1, 2016. The recommended actions will also delegate authority to the Interim Chief Probation Officer to negotiate, execute, amend, modify, and/or extend current agreements with these agencies and organizations to continue these efforts, as required in the Plan. In addition, the Interim Chief Probation Officer will be authorized to utilize interest and unspent JJCPA funds available in FY 2016-17 on allowable JJCPA expenses.

The Plan is the result of a multi-agency effort of the JJCC. The Plan was originally approved by the State Board of Corrections (now known as the BSCC), and implemented following approval by your Board on March 20, 2001. Consistent with the BSCC's requirements, the JJCC has continued to meet to coordinate and oversee the implementation of the Plan.

FY 2016-17 JJCPA funding for Probation is estimated at \$32,000,000, however, until the Legislature sends the Governor a budget, the BSCC cannot guarantee or identify specifics regarding the FY 2016-17 funding amount for JJCPA. Funding allocations may change due to legislative action on the Governor's proposed budget. Probation will make the necessary adjustments in the event of a reduction or increase in funding for FY 2016-17.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the Countywide Strategic Plan Goal 1, Operational Effectiveness, and Goal 3, Integrated Services Delivery, as Probation continues to evaluate the JJCPA funded services based on results.

FISCAL IMPACT/FINANCING

FY 2016-17 JJCPA funding for Probation is estimated at \$32,000,000 pending approval of the County's Application. In the event of funding changes, the necessary adjustments will be made to the JJCPA programs. There is no match requirement or net County cost associated with the Plan. The County must adhere to JJCPA requirements regarding the expenditure of said funds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On March 20, 2001, your Board authorized the Chief Probation Officer to finalize the Plan and apply

to the State Board of Corrections for Crime Prevention Act of 2000 funding, now known as JJCPA. The County's initial allocation was \$34,917,974. Senate Bill 736 (Poochigian–Burton) addresses the future of JJCPA and authorized the State Board of Corrections to fund participating counties for FY 2002-2003. For FY 2016-17, Probation's estimated allocation, pending the adoption of a final budget by the State and BSCC's approval of the Application, is \$32,000,000.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This funding will allow for the continued implementation of the Plan that addresses the critical problem of mental health needs of probationers, provides community-level prevention and intervention strategies that target high-risk neighborhoods, and focuses on achieving school success for probationers and at-risk youth. These services are currently provided through the collaborative efforts of government agencies and community-based organizations.
